

Wednesday June 2nd

Time	Event
------	-------

07:00-08:00	Registration and Breakfast
-------------	----------------------------

Session I: General Topics

08:00-08:15	Welcome (Center Director, Host Site Director, Host Dignitary)
-------------	---

08:15-08:30	NSF Update
-------------	------------

08:30-08:45	State of the Center
-------------	---------------------

Session II: Project Reviews – Part A

08:45-10:05	Theme #1: Fault Tolerance (chair: B. Hutchings)
-------------	---

- B5-10: Reliability Techniques for RC Systems
- F6-10: Adaptively Fault-Tolerant Reconfigurable Architectures
- B6-10: Reliable Architectures for Reconfigurable Computing

10:05-10:25	<i>Break</i>
-------------	--------------

10:25-12:10	Theme #2: Productivity (chair: G. Stitt)
-------------	--

- F2-10: Hardware Virtualization Layer for Ubiquitous RC
- G8-10: PGAS Optimizations for Many-core Architectures
- B1-10: Rapid RC Development Techniques
- F1-10: Comprehensive Framework for Application Development Productivity

12:10-13:10	<i>Lunch</i>
-------------	--------------

Session III: Project Reviews – Part B

13:10-14:55	Theme #3: Architecture (chair: A. Gordon-Ross)
-------------	--

- F4-10: PR Architecture and Design Toolset for Embedded and Aerospace Systems
- G7-10: Hardware Virtualization: System-level support for HPRCs
- V1-10: On the Performance, Programmability, and Power of Accelerators
- F5-10: Device/Application Mappings – Measurement, Performance, and Prediction

Session IV: Member/Student Forum and Workshop Dinner

15:00-17:00	Combined Poster and Demo Session
-------------	----------------------------------

19:00-21:00	Workshop Dinner
-------------	-----------------

Thursday June 3rd

Time	Event
07:00-08:00	Breakfast

Session V: Feedback Review & IAB Forum (members and faculty only)

08:00-09:30	Review of LIFE Forms
09:30-10:00	IAB Meeting (chairs: K. Morgan, I. Troxel)
10:00-10:20	<i>Break</i>

Session VI: Supplemental Reports & Conclusions (with students)

10:20-11:50	New-Member Introductions, ROI Briefings, and Special Updates
11:50-12:00	Wrap-up and Concluding Remarks
12:00-13:00	<i>Box Lunch</i>

-- *End of Workshop* --
